

## **Corpus and databases**

This section presents the research sources and corpus developed by the members of the André Chastel Centre (some of which through partnerships).

The following are thus gathered :

- **Sources and corpus published online on the Centre André-Chastel website .**
- **Sources and databases published on other websites** , the Centre André-Chastel being partner (unique or principal) of the collection, processing and editing of various sources.
- **Websites and databases under construction .**
- **Sources available at the Centre André-Chastel**: databases and directories.
